again, and nearly all of our men are  
out fighting fire.

Mrs. Armstrong, of Whiteriver,  
spent the Fourth here, and says she  
had a lovely time.

Mr. and Mrs. Hansen have gone  
to join the Holbrook and St. Joseph  
people, who are fishing on White-  
river.

The Fourth went off fine, and  
everybody had a good time. All  
the lemonade you could drink and  
all the candy and nuts you could  
eat were passed. The foot and  
horse races were very good. All  
enjoyed themselves at the dance in  
the evening.

### IS IT RIGHT

For an Editor to Recommend  
Patent Medicines?

From the News, Brevard, N. C.  
It may be a question whether the  
editor of a newspaper has the right  
to publicly recommend any of the  
various proprietary medicines which  
flood the market, yet as a preventive  
of suffering we feel it a duty to  
say a good word for Chamberlain's  
Colic, Cholera and Diarrhoea Remedy.  
We have known and used this  
medicine in our family for twenty  
years and have always found it reli-  
able. In many cases a dose of this  
remedy would save hours of suffer-  
ing while a physician is awaited.  
We do not believe in depending  
implicitly on any medicine for a cure  
but we do believe that if a bottle of  
Chamberlain's Diarrhoea Remedy  
were kept on hand and administered  
at the inception of an attack much  
suffering might be avoided and in  
very many cases the presence of a  
physician would not be required. At  
least this has been our experience  
during the past twenty years. For  
sale by F. J. Watron, druggist.

### Wool Growers' Meeting.

The meeting of the eastern divi-  
sion of the Arizona Wool Growers'  
Association which was held in the  
courthouse Tuesday, was well at-  
tended by the representative sheep-  
men, a majority of the members be-  
ing present, and all seemed to be  
well pleased with the success of the  
Association during the past year.

The business before the meeting  
was transacted harmoniously and to  
the general satisfaction of all present.  
The benefits to be derived  
from co-operative work and a strong  
organization have already been  
clearly illustrated, and the many  
matters of importance affecting the  
sheepmen which will have to be  
dealt with in the future seem to  
insure the permanence of the organ-  
ization. The board of directors  
elected for the coming year were  
J. T. Lesueur, A. F. Potter, Benja-  
min Schuster, A. Candelaria and  
G. A. Conklin.

A complete set of rules and regu-  
lations for the rodeo were prepared  
and adopted. Richard Gibbons was  
elected captain of the rodeo for the  
east end of the range and J. D.  
Houck captain for the west end.

The treasurer's report showed the  
financial condition of the Associa-  
tion to be as follows:

July 31, 1899 to July 10, 1900.  
Total receipts.....\$1,011.92  
Total expenditures.....951.75

Balance on hand, \$60.17

An assessment of thirty-five cents  
on each 100 head of sheep owned  
by members of the Association was  
levied to replenish the funds in the  
treasury.

The following resolutions were  
adopted:

RESOLVED, That there be places  
designated for passing to and from  
ranges located within the Forest  
Reserve, and that before passing  
with herds the owners of the ranges  
over which the sheep will pass shall  
be notified and shall have the priv-  
ilege to designate which part of  
their range shall be used by passing  
herds.

RESOLVED, That the sheep inspect-

or shall be requested to strictly en-  
force the regulation for dipping and  
see that sheep are kept clean from  
scab.

RESOLVED, That any sheep enter-  
ing the territory of Arizona from  
any other state or territory shall be  
inspected at the territory boundary  
line and charged five cents per head  
inspection fee.

Delegates were elected to attend  
the meeting of the General Associa-  
tion which will be held in Flagstaff,  
July 21st.

The board of directors were in-  
structed to bring the matter of the  
assessment and seizure of J. D.  
Houck's sheep by the assessor of  
Gila county to the attention of the  
board of directors of the General  
Association for consideration.

A vote of thanks was tendered  
the retiring members of the board  
of directors for their efficient and  
economical management of the  
affairs of the Association during the  
past year.

In the evening the visiting sheep-  
men were entertained by the ladies  
with a dance at the hall, thus pleas-  
antly ending a busy day.
